

Josephine

Josephine has big brown eyes
Josephine has a big round belly
Josephine is a Jeersey cow
Lots of milk, lots of cream

Lots of milk and lots of cream
Josephine, Josephine

She grazes out in the field all day
Taking sunshine from the grass
And makes it into milk for us
Lots of milk, lots of cream

Lots of milk and lots of cream
Josephine, Josephine

Josephine is a mother cow
She has a little calf
Her udder's full, she feeds him well
Lots of milk, lots of cream

Lots of milk and lots of cream
Josephine, Josephine
Lots of milk and lots of cream
Josephine, Josephine
